

A CHRISTMAS MESSAGE FROM DR BRAUN...

So many beautiful words, like love, peace and joy are woven into our holiday carols and cards. As we celebrate the Christmas season this year, let us hope to build a world where our children will know true joy, and where our hopes for peace, freedom and prosperity are realized.

Whether you're celebrating Christmas, Hanukkah, or Kwanzaa, this holiday is a chance to extend good wishes for all people, regardless of their religion or denomination. Christmas is the time of giving and sharing. It is the time of loving and forgiving.

We wish you and your loved ones all the wonder and magic of Christmas.

Until next time...Live life to its fullest!

Latisse launched November 16th with pre-sales kicking off in October! Our staff were given the opportunity to sample Latisse and our patients have definitely noticed! The girls took photos prior to using Latisse and are updating their photos at the 8, 12, and 16 week points. We'll be posting the results in our 'Before and After' album on our Facebook page. Don't have Facebook? Come in and see for yourself! Kylie, Rhonda, Joanne, and Jenny would be happy to chat with you about their experiences.

KEEPING UP WITH VANCOUVER LASER!

If you haven't been to the clinic in awhile, we've missed you! But don't forget that you can keep up with us on our Facebook page. For those of you that were in to see us in this Fall, you may have heard of our staff team building trip to the Caribbean! We started with 2 days in Miami, and then boarded the Liberty of the Seas and sailed to St-Maarten (Phillipsburg), San Juan (Puerto Rico), and a glorious private island called Labadee (Haiti)! Our adventures included on-ship activities such as rock-climbing, mini golf, dancing, movie nights and lots of good food. At ports-of-call we explored local artisan markets, chartered water-taxis to nearby islands, and of course we had some serious beach time. Some of the girls found giant lizards, exotic birds and toured the natural surroundings with helpful locals while Dr. Braun took others snorkelling and "did not get lost". You asked and we now have the answer - in addition to our online feedback forms we have a special new option for our beauty ambassadors, our Fan Club page!
